Agri-Food Knowledge

From consolidation to globalization, from wineries to bakeries, Canadian food and beverage processors are facing many complex, interrelated issues. At MNP, we understand the issues you face “from the field to the fork” – and we have the expertise to help get you where you want to go.

Participating in key industry associations and building strong relationships with food and beverage processors, we stay current on the issues impacting your industry. Whether it’s the new ‘Blue Initiative’, recipe changes, or simply a second opinion, MNP will work with you one-on-one and our specialists can develop customized strategies to meet your specific needs. At MNP, we take the time to understand you and your business.
